MODULI COMPONENTI

Fianchi, Piani e ripiani, sono realizzati in Nobilitato CIPRIA, ROVERE o ANTRACITE, classe E1 o nello spessore di 25mm.

I fianchi esterni nella loro faccia esterna a vista, possono essere placcati con ESSENZA o LACCATI.

Gli schienali sono realizzati in Nobilitato classe E1 nello spessore di 8mm. Tutte le ante armadio intere, sono realizzate tamburate 25mm con tiranti di raddrizzamento. Il tamburato è realizzato con telai in abete, placcati con mdf 4mm.

Le ante possono essere placcate con ESSENZA o LACCATE.

Le ante basse, sono realizzate in nobilitato 25mm. Possono essere placcate con ESSENZA o LACCATE.

Le ante a vetro, sono realizzate con telaio in alluminio di spessore 20mm, sono LACCATE e con vetro trasparente temperato nelle finiture NEUTRO, BRONZATO o FUMÉ.

Le ante a vetro per l'elemento da 70 cm, sono realizzate in Legno massello di spessore 25 mm, placcate con ESSENZA o LACCATE e con vetro trasparente temperato nelle finiture NEUTRO, BRONZATO o FUMÉ.

La teca, è realizzata in listellare di 25mm e può essere LACCATA o finitura EFFETTO MARMO. I vetri sono trasparenti.

Le maniglie delle ante sono in finitura ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

Le cerniere sono con chiusura rallentata (Blue motion) della ditta Salice.

Per "ESSENZA" si intendono placcature con tranciato di Frassino o Noce Canaletto.

Per "LACCATO" si intendono colori opachi del nostro campionario o con colori Ral.

MODULAR SYSTEM

Sides, tops and shelves are in CIPRIA melamine, OAK or ANTHRACITE, in class E1 and in the thickness of 25 mm.

The outer, visible part of the sides can be VENEERED or LACQUERED. The backs are made in 8 mm veneered chipboard in class E1

All the full-length wardrobe doors are made in 25 mm honeycomb dore with door straightening bars. The honeycomb core consists of a solid frame in spruce, plated with MDF 4 mm.

The doors can be VENEERED or LACQUERED.

Low doors are made in 25 mm melamine. They can be VENEERED or LACQUERED.

Doors with glass consist of a frame in 20 mm aluminium, LACQUERED or with transparent tempered glass, in a PLAIN, BRONZE or TINTED finish.

The glass doors for the element in a width of 70 cm are made in solid wood in a thickness of 25 mm, VENEERED or LACQUERED and with transparent tempered glass in a PLAIN, BRONZE or TINTED finish.

The display case is made in 25 mm blockboard and can be LACQUERED or in MARBLE EFFECT finish. The glass doors are transparent.

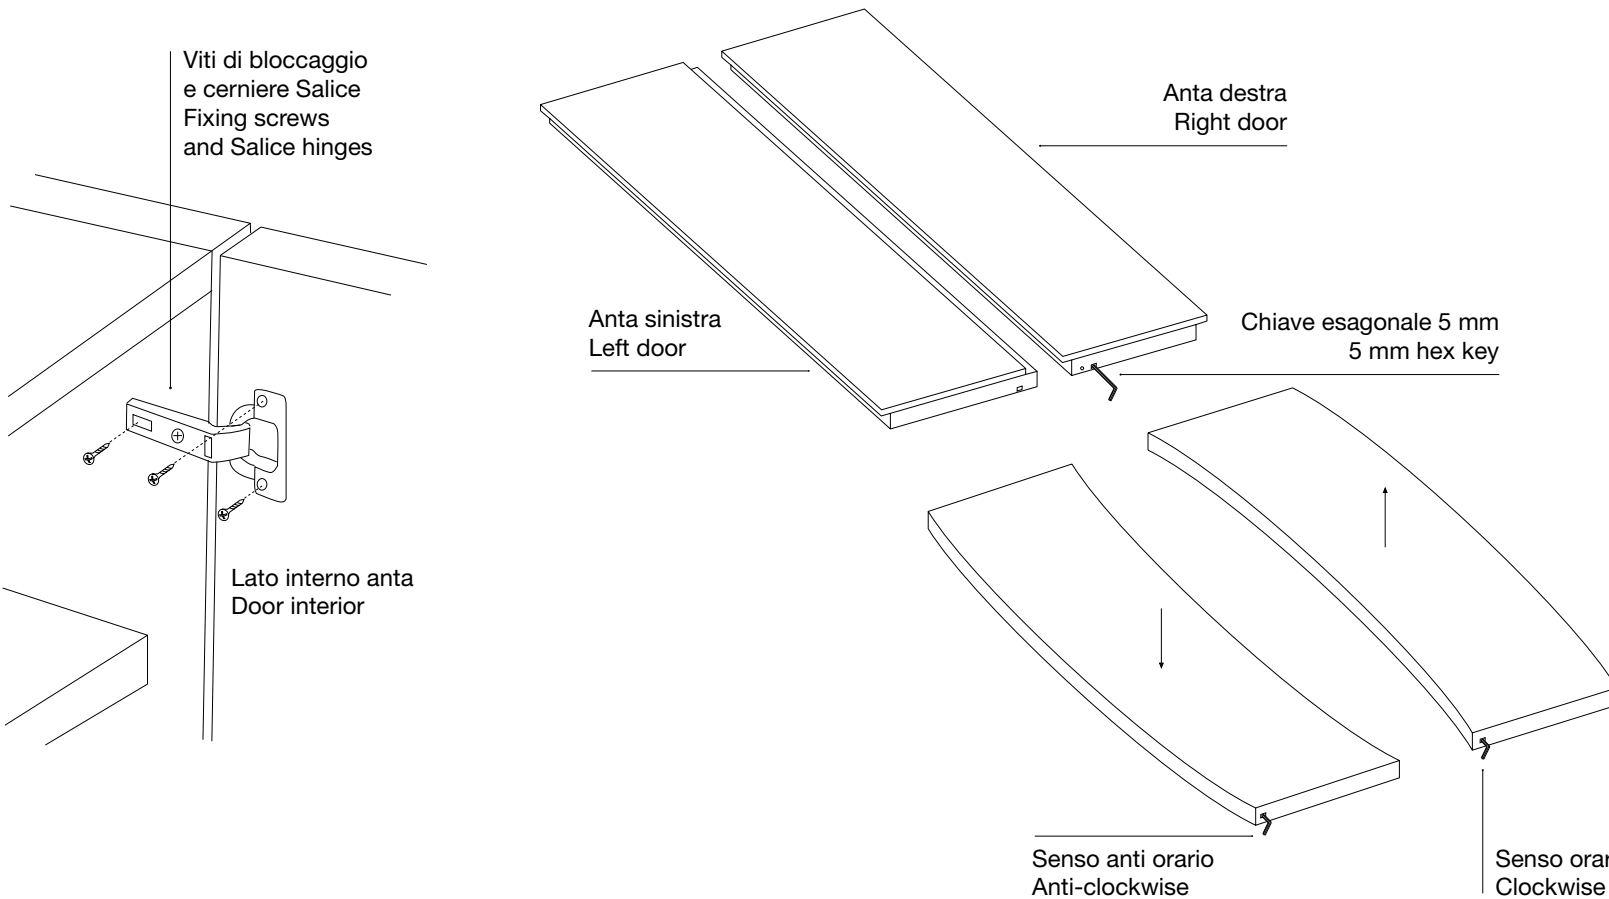

The door handles are in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

The hinges have a soft close mechanism (Blue motion) from the firm Salice.

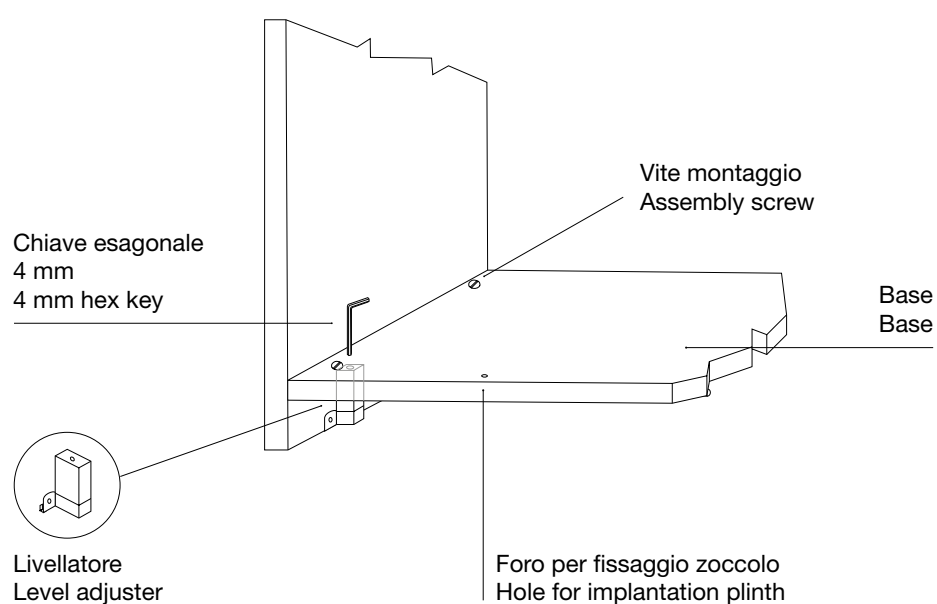

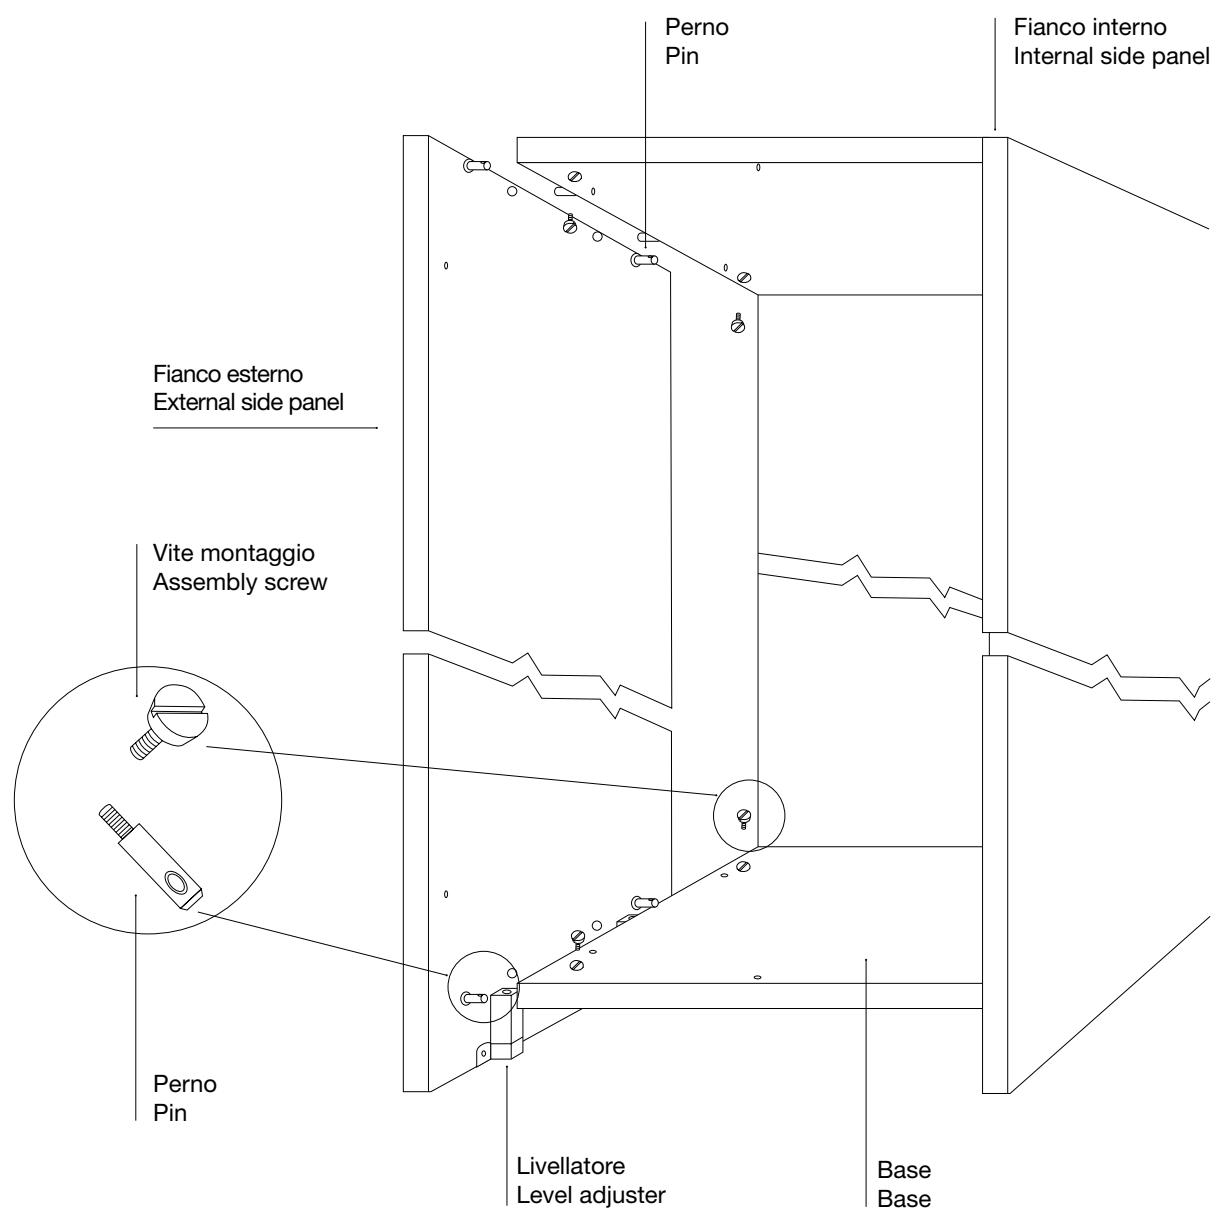

"VENEERS" refer to a thin layering of Ash or Canaletto Walnut.

"LACQUERED" refers to opaque colours from our sample book or the Ral colour palette.

Caratteristiche tecniche - Technical Specifications

La struttura interna è realizzata in tamburato in finitura LACCATA.

Le ante sono realizzate in tamburato assemblate in 3 pezzi e con tiranti raddrizzatori, in finitura LACCATA.

La parte centrale “Inserto” dell’anta oltre che LACCATA, può essere realizzata anche con la finiture ESSENZA, oppure può essere inserito uno specchio in finitura NEUTRO, BRONZATO O FUMÈ.

Le maniglie delle ante sono in finitura ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

Per “ESSENZA” si intendono placcature con tranciato di Frassino o Noce Canaletto.

Per “LACCATO” si intendono colori opachi del nostro campionario o con colori Ral.

The internal structure is made in honeycomb core and has a LACQUERED finish.

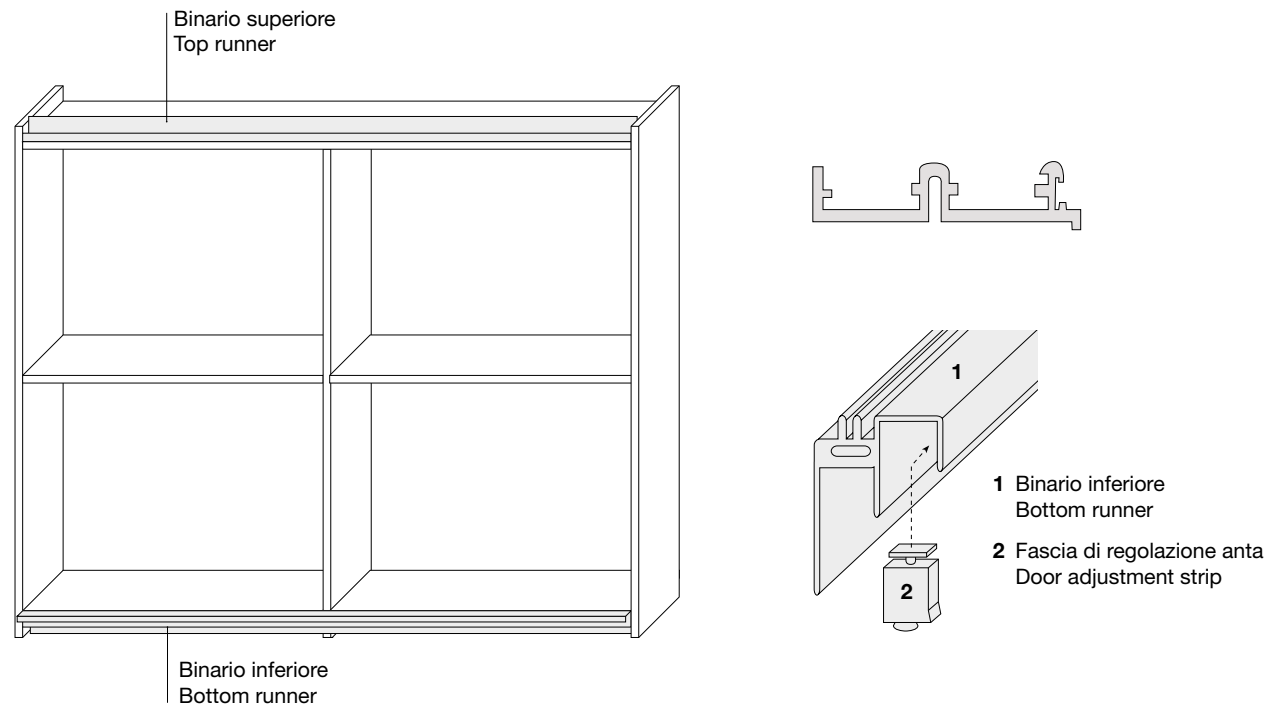

The doors are made in honeycomb core, assembled in 3 pieces and fitted with door straightening bars, in a LACQUERED finish.

The central “insert” of the door is available in the standard LACQUERED finish or in a WOOD VENEER, or alternatively with a PLAIN, BRONZE or TINTED glass mirror.

The door handles are in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

“VENEERS” refer to a thin layering of Ash or Canaletto Walnut.

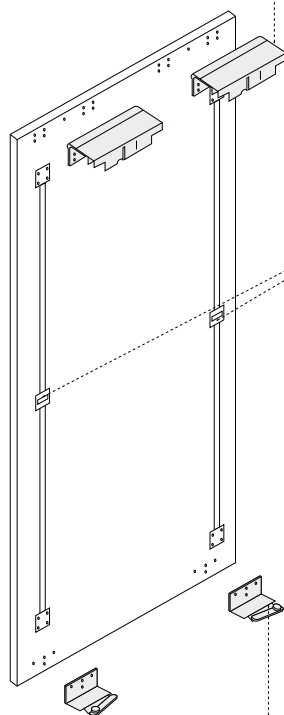

“LACQUERED” refers to opaque colours from our sample book or the Ral colour palette.

COMÒ, COMODINI, TOILETTE ED ISOLE

La struttura è realizzata in nobilitato, tamburato e con mdf. La finitura può essere in ESSENZA, LACCATO o finitura EFFETTO MARMO.

I frontali dei cassetti sono in listellare o nibilitato, con finitura in ESSENZA, LACCATO o finitura EFFETTO MARMO con vetro che può essere NEUTRO, BRONZATO o FUMÉ.

I cassetti sono realizzati in multistrati di betulla laccata e scorrono con guide Blum blue motion.

Le maniglie ed i piedi sono metallo nelle finiture ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

LETTI

La testata ed il giroletto sono realizzati con struttura in multistrati ed imbottiti con gomma di varia densità.

Le formelle esagonali sono realizzate in legno e rivestite con gomma e stoffe varie del catalogo.

I piedi sono realizzati in mdf e LACCATI. La rete sarà appoggiata su apposite squadre di ferro.

POUFF E PANCHETTE

La struttura è realizzata in multistrato di legno. Il cuscino è realizzato con gomma di varia densità e rivestito con stoffe varie dal catalogo.

I piedi sono realizzati in metallo e possono essere verniciati nelle finiture ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

SPECCHIERE

Specchiere realizzate con supporto in multistrati e cornice perimetrale in legno.

Lo specchio può essere PIANO o ESTRUSO.

La finitura dello specchio PIANO può essere NEUTRO, BRONZATO o FUMÉ.

La finitura dello specchio ESTRUSO può essere NEUTRO, BRONZATO o FUMÉ nel perimetro e solamente NEUTRO nella parte centrale.

DIVANI

I fusti di tutti i divani sono realizzati in massello o multistrati di legno.

I rivestimenti sono realizzati con imbottiture del catalogo.

I piedi sono in metallo e verniciati nelle finiture ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

TAVOLINI

MA6000 e MA6100 struttura in metallo con gambe a stelo e piano in multistrati.

La struttura in metallo può essere nelle finiture ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

La finitura del piano può essere realizzata in ESSENZA, LACCATO o finitura EFFETTO MARMO.

Per "ESSENZA" si intendono placcature con tranciato di **Frassino** o **Noce Canaletto**.

Per "LACCATO" si intendono colori opachi del nostro **campionario** o con colori **Ral**.

VERNICI E FINITURE

Per tutte le finiture sono utilizzate vernici atossiche secondo norme CEE, esenti da piombo, amianto e loro componenti.

Le patine sono a base acquosa e le vernici fissative sono acriliche, opache ed antingiallenti.

I colori e le tonalità della cartella-colori, sono indicativi e soggetti a variazioni di tonalità nel tempo.

FERRAMENTA

Le ante battenti dell'armadio sono provviste di cerniere in metallo con chiusura rallentata con Blue motion della ditta "Salice"

NOTE

Data la natura artigianale delle finiture, ogni articolo è da considerarsi un vero e proprio "Pezzo unico", quindi non perfettamente riproducibile.

La DOMUS si riserva il diritto di apportare modifiche e migliorie, senza preavviso.

CHESTS OF DRAWERS, BEDSIDE TABLES, DRESSING TABLES AND ISLANDS

The structure is made in melamine, honeycomb core and MDF. The finish can be VENEERED, LACQUERED or in MARBLE EFFECT finish.

The fronts of the drawers are in blockboard or melamine with a VENEERED, LACQUERED or in MARBLE EFFECT finish, with plain, bronze or tinted glass.

The drawers are made in birch plywood with a lacquered finish and run on Blum blue motion rails.

The handles and feet are made in metal and painted in a GOLD or SILVER finish or LACQUERED IN ANTHRACITE GREY.

BEDS

The headboard and the bed surround have a main structure in plywood and are upholstered with rubber in various densities.

The hexagonal tiles are made in wood and covered with rubber and various fabrics shown in our catalogue.

The feet are made in MDF and LACQUERED. The bed base will rest on specially made iron frames.

POUFS AND BENCHES

The structure is made in plywood. The cushion is made in rubber of various densities and covered with the various fabrics shown in our catalogue.

The feet are made in metal and can be painted in a GOLD or SILVER finish or LACQUERED in ANTHRACITE GREY.

LARGE MIRRORS

Large mirrors on a plywood back and with a wooden frame.

The mirror can be FLAT or EXTRUDED.

The FLAT mirror can have a PLAIN, BRONZE or TINTED finish.

The EXTRUDED mirror can have a PLAIN, BRONZE or TINTED finish for perimeter and only PLAIN finish for the central part.

SOFAS

The main frame is made in solid wood or plywood.

The covering is made with padding and fabrics shown in our catalogue.

The feet are made in metal and painted in a GOLD or SILVER finish or LACQUERED in ANTHRACITE GREY.

COFFEE TABLES

MA6000 and MA6100 have a metal structure with straight legs and top in plywood.

The metal structure can be painted in a GOLD or SILVER finish or LACQUERED in ANTHRACITE GREY.

The top can be VENEERED, LACQUERED or in MARBLE EFFECT finish.

“VENEERS” refer to a thin layering of Ash or Canaletto Walnut.

“LACQUERED” refers to opaque colours from our sample book or the Ral colour palette.

PAINTS AND FINISHES

All finishes are created using non-toxic paints that meet the EEC standards, and are free of lead, asbestos and their components.

Coatings are water-based and fixing varnishes are acrylic, opaque and contain anti-yellowing properties.

The colours and tones of the colour palette are indicative and subject to variations in colour over time.

HARDWARE

The hinged doors of the wardrobe are fitted with soft close metal hinges (Blue motion) from the firm Salice.

NOTES

As all finishes are applied by hand, each item should be considered an authentic “Unique piece”, and can thus not be reproduced perfectly.

DOMUS reserves the right to make changes and improvements without prior notification.

ARMADIO 2 ANTE SCORREVOLI

La struttura interna è realizzata in tamburato in finitura LACCATA.

Le ante sono realizzate in tamburato assemblate in 3 pezzi e con tiranti raddrizzatori, in finitura LACCATA.

La parte centrale "Inserito" dell'anta oltre che LACCATA, può essere realizzata anche con la finiture ESSENZA, oppure può essere inserito uno specchio in finitura NEUTRO, BRONZATO O FUMÉ.

Le maniglie delle ante sono in finitura ORO, ARGENTO o LACCATO GRIGIO ANTRACITE

Per "ESSENZA" si intendono placcature con tranciato di Frassino o Noce Canaletto.

Per "LACCATO" si intendono colori opachi del nostro **campionario** o con colori Ral.

COMÒ, COMODINI, TOILETTE, CREDENZE, VETRINE, MADIE E PORTA TV

La struttura è realizzata con mdf e tamburato e LACCATA.

I frontali dei cassetti sono in listellare o nibilitato, con finitura in ESSENZA o LACCATO con vetro che può essere NEUTRO, BRONZATO o FUMÉ.

I cassetti sono realizzati in multistrati di betulla laccata e scorrono con guide Blum blue motion.

Le maniglie ed i piedi sono metallo nelle finiture ORO, ARGENTO o LACCATO GRIGIO ANTRACITE.

Il Rivestimento è con imbottiture del catalogo.

Poltrona DI9500 Fusto in legno e completamente rivestita con imbottiture del catalogo.

VERNICI E FINITURE

Per tutte le finiture sono utilizzate vernici atossiche secondo norme CEE, esenti da piombo, amianto e loro componenti.

Le patine sono a base acquosa e le vernici fissative sono acriliche, opache ed antingiallenti.

Gli interni dell'armadio sono verniciati con vernici UV (residuo secco 95%) essiccate a raggi ultravioletti.

I colori e le tonalità della cartella-colori, sono indicativi e soggetti a variazioni di tonalità nel tempo.

NOTE

Data la natura artigianale delle finiture, ogni articolo è da considerarsi un vero e proprio "Pezzo unico", quindi non perfettamente riproducibile.

La DOMUS si riserva il diritto di apportare modifiche e migliorie, senza preavviso.

WARDROBE WITH 2 SLIDING DOORS

The internal structure is made in honeycomb core and has a LACQUERED finish.

The doors are made in honeycomb core, assembled in 3 pieces and fitted with door straightening bars, in a LACQUERED finish.

The central "insert" of the door is available in the standard LACQUERED finish or in a WOOD VENEER, or alternatively with a PLAIN, BRONZE or TINTED glass mirror.

The door handles are in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY

"VENEERS" refer to a thin layering of Ash or Canaletto Walnut.

"LACQUERED" refers to opaque colours from our **sample book** or the Ral colour palette.

CHESTS OF DRAWERS, BEDSIDE TABLES, DRESSING TABLES, DISPLAY CABINETS, CUPBOARDS AND TV UNITS

The structure is made in MDF and honeycomb core and LACQUERED.

The fronts of the drawers are in blockboard or chipboard with a VENEERED or LACQUERED finish, with PLAIN, BRONZE or TINTED glass.

The drawers are made in birch plywood with a lacquered finish and run on Blum blue motion rails.

The handles and feet are made in metal and painted in a GOLD or SILVER finish or LACQUERED in ANTHRACITE GREY.

BEDS

The headboard and the bed surround have a main structure in wood and are upholstered with rubber in various densities.

The covering is made with various fabrics shown in our catalogue.

The visible parts in wood are either VENEERED or LACQUERED.

The base is made in blockboard and painted GOLD.

The bed base will rest on specially made iron frames.

LARGE MIRRORS

Large mirrors on a plywood back and with a LACQUERED wood frame.

The mirror can be FLAT or EXTRUDED.

The FLAT mirror can have a PLAIN, BRONZE or TINTED finish.

The EXTRUDED mirror can have a PLAIN, BRONZE or TINTED finish for perimeter and only PLAIN finish for the central part.

DINING TABLES

The table top is made in honeycomb core and solid wood.

The table legs are in solid wood and turned, with metal feet and painted in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

On request, a PLAIN, BRONZE or TINTED glass insert can be fitted on the table top.

The octagonal table measuring 140 x 140 cannot be fitted with glass.

COFFEE TABLES

The table tops are made in plywood and either VENEERED or LACQUERED.

The table legs are in wood, with metal feet and painted in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

"VENEERS" refer to a thin layering of Ash or Canaletto Walnut.

"LACQUERED" refers to opaque colours from our **sample book** or the Ral colour palette.

CHAIRS, ARMCHAIRS AND SMALL ARMCHAIRS.

Chair DI9200 with legs in wood, covered with the padding and fabrics shown in our catalogue, with metal feet and painted in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

Small armchair DI9200 with legs in wood, covered with padding and fabrics shown in our catalogue, with metal feet and painted in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

Small armchair DI9100 with straight metal legs, painted in a GOLD or SILVER finish, or LACQUERED in ANTHRACITE GREY.

The Covering is made with padding and fabrics shown in our catalogue.

Armchair DI9500 Main frame in wood and completely covered with padding and fabrics shown in our catalogue.

VERNICI E FINITURE

All finishes are created using non-toxic paints that meet the EEC standards, and are free of lead, asbestos and their components.

Coatings are water-based and fixing varnishes are acrylic, opaque and contain anti-yellowing properties.

The insides of the wardrobe are coated in UV paints (dry residue 95%), and dried with ultraviolet rays.

The colours and tones of the colour palette are indicative and subject to variations in colour over time.

NOTES

As all finishes are applied by hand, each item should be considered an authentic "Unique piece", and can thus not be reproduced perfectly.

DOMUS reserves the right to make changes and improvements without prior notification.
