CAMPIONARI FINITURE - *FINISH SAMPLES*

Trattandosi di lavorazioni eseguite manualmente, la fedeltà cromatica dei campioni può discostarsi dalla tonalità effettiva dei vari mobili.

Per quanto fedeli, i colori illustrati nel campionario rimangono pertanto puramente indicativi.

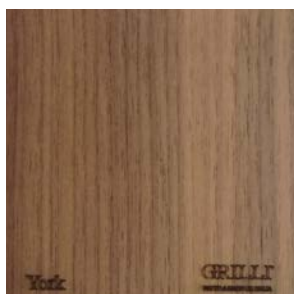

Each treatment is processed by hand, so colour samples may not exactly match the actual shades of the furnishings.

Though they are as accurate as possible, the colours shown in the samples should nevertheless be considered approximate.
